and Nominations Now!

Visit canadianmarketer.ca/campawards2017/
or email membership@canadianmarketer.ca

WHY SUBMIT?

Validation

When a third party announces how incredible your work is, your credibility gets a boost.

Visibility

Awards and recognition provide elevation for both you and your clients and partners.

Differentiation

While everyone is saying they are the best, awards and recognition will set you apart from competitors.

Solving Business Challenges

Job-seekers, potential employees and clients are more likely to be attracted to a company that has won an award.
